**DEFENDANT'S MOTION IN LIMINE TO EXCLUDE DOWNLOAD TO  
DEFENDANT'S PHONE (GOVERNMENT EXHIBIT 34B)**

Defendant Johnathon Irish hereby moves this Court in limine to exclude the Government's proposed Exhibit 34B, a download to the defendant's phone of a document entitled Quick Facts Felon in Possession of a Firearm. The only conceivable use of this document is to demonstrate consciousness of guilt. The document apparently was downloaded more than two weeks after the guns in this case were seized by federal agents. As such, the limited probative value of the fact that the item was downloaded is substantially outweighed by the danger of unfair prejudice, confusing the issues, misleading the jury, undue delay, wasting time, or needlessly presenting cumulative evidence.

Defendant  
Johnathon Irish
